DON BOSCO COLLEGE

Don Bosco College, KR Puram, affiliated with Bangalore North University, operates under the Bangalore Salesian Society. The College draws on the vast legacy and experience of leading 15 Don Bosco Universities, 252 Don Bosco Colleges and 3,250 Don Bosco Schools across 134 countries. Rooted in Don Bosco's educational philosophy, the institution follows a preventive system of education, that emphasises holistic development of the mind, heart, and spirit. This approach, grounded in reason, religion, and loving kindness, creates an environment where students excel both academically and personally. Established in 2022, Don Bosco College, KR Puram has rapidly emerged as a distinguished educational institution in Bangalore.

The main objective of Don Bosco College is the holistic development of individuals to ensure that they 'learn and lead'.

ST. JOHN'S UNIVERSITY

St. John's University, New York, founded in 1870, is a private Catholic institution guided by the Vincentian tradition and its six core tenets: Truth, Love, Respect, Opportunity, Excellence, and Service. These principles shape the university's mission to provide transformative education, foster academic excellence, and inspire students to achieve their full potential while making a meaningful impact on the global community.

The Institute of International Communication (IICM) at St. John's reflects these values by equipping students with the skills to navigate an interconnected world. With an emphasis on intercultural understanding, ethical communication, and global leadership, IICM nurtures collaboration, inclusivity, and innovation, preparing students to build bridges across cultures and lead with purpose.

ABOUT THE COLLABORATION

Don Bosco College, guided by its motto *"Learn and Lead,"* partners with St. John's University, renowned for its commitment to *"Education that Elevates,"* to present a transformative Faculty Development Program (FDP). This collaboration seeks to empower educators as lifelong learners and visionary mentors, fostering excellence, innovation, leadership skills, and holistic development in education.

24 January 2025

ABOUT THE PROGRAMME

In today's rapidly evolving world, educators play a pivotal role in shaping future leaders and fostering well-rounded individuals. This FDP aims to inspire teachers to embrace lifelong learning, bridge the gap between academia and industry, and cultivate skills that promote critical thinking, innovation, use of latest technology, social impact and emerge as leaders. Through a multidimensional approach, this FDP emphasizes personal and professional growth, enabling educators to inspire students intellectually, emotionally, and socially. This initiative nurtures educators to become role models and leaders who can transform the educational landscape and guide future generations toward balanced and impactful lives.

The programme is open to Faculty members from all Higher Educational Institutions, Policy makers, Research scholars and Industry experts.
